Dear Mr. Jackson:

We have reviewed a copy of your Plan of Operations for road work in Juab County. We received a copy of the notice on August 13, 1993.

This project is for repair of access roads, maintenance of mine portals and dumps only. It does not appear that the operation as described will have any water quality impacts. No permit from this office is required for the stated activities.

If we can be of further assistance, please contact me or Mr. Lyle Stott of my staff.

Sincerely,

for Kiran L. Bhayani, P.E., D.EE., Manager
Design Evaluation Section
